## Catalogue No 22 Part 6

### Treasures From Our Shelves

Thousands of books that we want to sell ...

and hopefully, that you wish to buy ...

The downside of the internet for bookselling is that there is often very little personal contact between the bookseller and the book buyer.

We hope to remedy this by offering a bespoke and customer focused service and have been in the book business for over fifty years.

For this catalogue we selected items from our large and interesting stock to show the diversity of the subjects we cover as well as recent acquisitions.

If you don't see anything of interest in this particular catalogue, hopefully you will feel encouraged to visit our website: [www.kbooksltd.co.uk](http://www.kbooksltd.co.uk) which shows the types of books, prints, portraits and maps that we deal in and our extensive stock (70,000+) is viewable on AbeBooks via [this link](#).
