## Catalogue No 22 Part 3

(includes some extremely attractive bindings  
from an Edwardian Gentleman's Library)

Thousands of books that we want to sell ...

and hopefully, that you wish to buy ...

The downside of the internet for bookselling is that there is often very little personal contact between the bookseller and the book buyer.

We hope to remedy this by offering a bespoke and customer focused service and have been in the book business for over fifty years.

For this catalogue we selected items from our large and interesting stock to show the diversity of the subjects we cover. Hopefully this will encourage you to visit our website: [www.kbooksltd.co.uk](http://www.kbooksltd.co.uk) which shows the types of books, prints, portraits and maps that we deal in and our extensive stock is viewable via [this link](#).
