ANNUAL CATALOGUE 2020

Welcome to our catalogue. We've introduced several new products at the request of our customers. We hope that you find them useful in preserving and restoring your books. As always, call us if you require any item which is not listed.

OUR GUARANTEE

All products can be supplied before payment is made and can be returned without reason within 14 days of receipt. This is a no quibble guarantee for your total peace of mind. Naturally, if you are not satisfied with a product then we would like to hear your comments. Note: this guarantee is applicable if goods are returned within 14 days and in acceptable condition. Specially made to order items may only be returned if damaged or faulty. Please notify us when returning goods.

TERMS

Payment on receipt of goods. Delivery is charged at £7.80 on orders unless stated. Delivery is free on any orders over £90. Overseas shipments are charged at cost. You will notice generous discounts on multiple orders - you may order different sizes of a product to attain the multiple discount e.g. 1 x 9", 1 x 13" and 1 x 15" "Trimsleeve" will attract the same level of discount as 3 x 15". All prices quoted in this catalogue are "each". VAT at 20% is included in all prices.

PAYMENT

All orders can be dispatched before payment is made. Terms are payment on receipt of invoice. All goods remain the property of D & M Packaging Supplies Limited until payment is made in full. Orders may be made by telephone during office hours and by fax or e-mail 24 hours a day. Visa, Mastercard and Maestro accepted.

BOOK CLEANING AND CARE TIPS

When cleaning a book it is best to use the least abrasive product first. Always practice on a low value book before progressing to your valuable collection. D&M stock a wide variety of book cleaning products and are always on hand to offer tips and advice.

Always test the product on an unobtrusive part of the book and if in doubt about cleaning, DON'T.

Book jacket covers provide valuable protection and guard against countless hazards including dust, dirt, handling, sunlight and moisture. All our covers are easy to apply and will keep your books in tip-top condition and preserve them for many years to come.

ABSORENE DIRT ERASER

A 6" x 3" x 3/4" sponge. Used dry to absorb dirt by wiping over surface in a sweeping motion in one direction. For cleaning jackets, boards and edges of books.

Useful for TV and computer screens.

	1+	3+
Sponge	£5.22	£4.44

INK ERASER

A gum based eraser with added silica grit. This eraser gently crumbles as you use it and gently removes the outer surface of paper, taking inscriptions and library stamps with it. Used gently it will appear as though the inscription has just disappeared with only slight, barely noticeable abrasion to the paper surface. Also effective on light foxing, finger prints and general marks depending on the paper surface. Not to be used on coloured paper. UK postage £1.20. DIRECTIONS: Gently rub at the affected area, sweeping away excess residue until the ink has been removed. It is always good to practice on an unimportant book first and always approach particularly thin or delicate paper with caution.

BOOK CLEANING AND CARE TIPS

When cleaning a book it is best to use the least abrasive product first.

Always practice on a low value book before progressing to your valuable collection. D&M stock a wide variety of book cleaning products and are always on hand to offer tips and advice.

Always test the product on an unobtrusive part of the book and if in doubt about cleaning, DON'T.

Book jacket covers provide valuable protection and guard against countless hazards including dust, dirt, handling, sunlight and moisture.

All our covers are easy to apply and will keep your books in tip-top condition and preserve them for many years to come.
